Hi Chris

Thanks for the opportunity to review. I did make some changes because some of the information was not related to this particular parcel. I'm not sure if REMAX can give permission for EPA to use the photos. This property is listed with **Ex. 6 Personal Privacy (PP)** not REMAX. The listing agent is Connie Pollard

I hope this helps. Thank you for your work on this
Please call me at 804-337-3049 if you have any questions regarding my comments. I can only access the LAN after hours (hence sending this message at 4:45 am (zzzz))

Hi Chris,
Attached is an initial draft (in Word) of the fact sheet. The document includes a number of questions for you in comments. We can make any updates you would like to see before you circle to the larger group for review. Also, happy to have a call to discuss the questions if that is easier! When we get to the more formal review stage, we can send you the SRP Document Review Form.

Finally – please note that once we have a more finalized version of the text, we will put the text through a polish editing review and will place it into the more polished PDF layout.

Let us know if you have any questions. Many thanks!

Frank & Casey: Is there a chance that SKEO could convert the attached Fact Sheet for the Shiloh Church Road Removal Site into a "Ready for Reuse" Fact Sheet? Our On-Scene Coordinator for the Site is receiving numerous inquiries from folks who may be interested in purchasing the property. We are looking for a document to hand out to the public. We also have information from the real estate agent for the Site/Property that we can send to you. Please advise, and as always, thank you.
